Terminator Broom w/- brace

The Terminator Broom is built for heavy-duty performance with a robust dual-material construction and a 25mm timber handle with stay support. This durable broom features a specially engineered fill pattern with dual bristle types for effective sediment agitation and collection. The extruded polypropylene bristles are designed for strong retention and can easily remove particles from both rough and smooth surfaces.

660 Litre Site Bin

- Easy grip handles.
- Swivel locking wheels.
- 43kg empty

With a spacious 660-litre capacity, this wheelie bin is ideal for areas with moderate to high waste generation. Its generous size helps reduce the need for frequent collections, boosting operational efficiency and minimizing interruptions.
